

This resource is for all ages 😊

1. Write a letter to your best friend. Have a 'postman' to deliver the mail to your friend. Encourage them to write back. Bring your letters in to be framed 😊
2. Cover the words in an old book and write your own story to go with the pictures.
3. Collect magazine pictures. Discuss pictures and write about them.
4. Start a diary. It can contain things you've done, keepsakes, movie tickets etc 😊
5. Set up autograph books with a difference. Each photo or portrait of yourself, family and friends, their signature, details about themselves, their likes and dislikes etc.
6. Make a long story. Each friend writes a section then passes it on to the next person to add to it. Bring it in to be bound 😊
7. Write a letter to mum or dad telling them about what you have done today.
8. Make posters to advertise special event, special days, etc.
9. Use a well-known rhyme or fairy tale. Eg. 3 Little Pigs, and write what you would have done if the wolf was chasing you!!
10. Cut out two pictures from a magazine. Tick them on a piece of paper and draw speech bubbles. Write what the characters are saying to each other.
11. List all the things you could do with a brick. Encourage creative ideas.
12. Write a letter of explanation to Michelle, giving reasons for something unusual e.g. why they have worms in their socks, why the principal's hair is blue, why the birds are sitting pecking at the windows, why the Prime Minister wants to interview the class.
